THE REVOLUTIONARY GOVERNMENT OF ZANZIBAR MARINE CONSERVATION AUTHORITY

It is also important to note that the Zanzibar and Pemba are governed under the Revolutionary Government of Zanzibar and therefore have different fees and regulations.

A – TANGA & PEMBA CHANNEL

Tanga Yacht Club appears to be just outside of the Marine Park boarder and no one we know of has been asked for Park fees.

However, we were asked for fees in Pemba (as were many other visiting yachts). We were hit by a boat whist underway, causing damage to our hulls, claiming to be Marine Conservation in Pemba. They were asking for \$200 US dollars cash, and we therefore left Pemba altogether.

I contacted Tanzania Marine Parks who advised that Zanzibar and Pemba are governed under the Revolutionary Government of Zanzibar and therefore have different fees and regulations. Please refer to the following page for the detailed map and fees as disclosed by MCA Zanzibar Makame.
